BOOK OF THE MONTH

**Crazy Love:
Overwhelmed by
a Relentless God**
By: Francis Chan

The God of the Universe is crazy about you! His love is the most powerful thing in the world and He wants to give it to you, so you can live for Him. If you have made a commitment to follow Christ, then read *Crazy Love* to be reminded and challenged in your walk. Sharing from his own life struggles and sacrifices, author Francis Chan issues a call for selfless, Christ-like living. Let the love you received from God impact your life like never before.

THIS WILL BE MY LAST NEWSLETTER ARTICLE.

No, I'm not going anywhere. We're just changing our format. Our new website format allows us to have a blog, so I'll be writing a blog for those who are interested at least twice a month to start with and share with you what God is sharing with me.

We will continue to have the calendar and Bible reading for those who like the PDF format or you can check out the calendar on the website to see what's happening throughout the month.

I currently am working on an article for the blog and when it is complete I'll send you out an email so you can check it out, if you'd like!

THE ALPHA COURSE IS FINALLY HERE!

We are extremely excited about offering the Alpha Course this year at New Hope Community Church. This course is a great way to explore the meaning of life in a safe environment where people can share their thoughts and ideas without anyone making them feel awkward. The purpose of the Alpha Course is to share God's love with people who are seeking answers. Some will come and hear about God and not believe while others will listen, share and evaluate what is being taught and believe. Whether they believe or not we are going to love everyone that comes through our doors. I encourage you to pray for God to use this course to reach many with the Good News about Jesus Christ. We'll be meeting every Wednesday beginning February 8th from 6:30 pm to 8:30 pm. We'll have dinner together, watch a DVD teaching, then split off into small groups to discuss what we heard from our speaker on the DVD. We have a special meeting planned for Wednesday, February 1st to introduce people to the Alpha Course. You are welcome to come out and bring a friend who wants to explore the meaning of life.
