BOOK OF THE MONTH

Heaven Is for Real: A Little Boy's Astounding Story of His Trip to Heaven and Back
By: **Todd Burpo & Lynn Vincent**

I could not put this book down. It was amazing to read a child's perspective of heaven...so real, so innocent. It reminded me of how much God loves me and that His promise of eternal life is real!

Pastor Rob Woods

Every September I begin to think about the New Year and this article. It's a big deal for me for it sets the spiritual tone for the entire year. As I sit and think I pray and as I communicate with God I ask Him for direction. I take notes...*plenty of notes*. He speaks through His Spirit, through the Bible, through Believers and non-Believers. He talks and I listen. It's a wonderful time of spiritual awareness. He shows me things about the current year and what we can expect in the year to come. Again, I listen, take notes and ponder what's being deposited into my heart. It's a GOOD thing! Some things He wants me to share and others things I'm not too share. He is a wonderful God. It is a privilege to serve Him and serve you.

What can we look forward to with God in the coming year? Change! I believe God wants to pour out His Spirit on our nation. I believe He desires His people to be ready for His Spirit to move in a fresh and wonderful way. It is through the power of the Holy Spirit God will change lives this year. It is through the power of the Holy Spirit God will bring us a fresh new awareness of Himself

God is the same yesterday, today and forever (Hebrews 13:5) and what He did in the lives of His people in the Bible, He wants to do in you and me today (John 14:12-14).

What is required of us? Commitment! The Devil and the World throws things at us to distract us from our commitment to Christ. What the spiritual principalities of this world do not understand is that this is only making Christ Followers seek God with a greater intensity. Christians are becoming dissatisfied with the status quo. Our nation is ready for revival. It begins within the Church. The Holy Spirit is putting a greater hunger in God's people's hearts and minds for the Bible and Prayer.

As we dive into 2012 change and commitment need to be at the forefront of our minds. *God is sending revival*. It begins in you and me. This is the year for our nation to be spiritually renewed. God has a plan to do something far beyond what we could ask for or imagine (Ephesians 3:20). Jesus is coming back for His Bride!

This is some of what God has been telling me. How will revival reshape what we say and do? I have some notes on this but that's for another time. Be open to change and stay committed to Jesus!

Loving God...Loving People,

Pastor Rob Woods
